

What to Bring to Camp

Please read carefully and make sure campers have all the following items daily. We appreciate your attention to this list.

- Small backpack to hold the following items:
- Filled water bottle
- Two healthy snacks and lunch in a cooler/ lunchbox
- Comfortable closed-toe shoes or sandals such as Keens, Crocs, or water shoes are suggested
 - Please no flip-flops. We will be hiking and playing on a variety of surfaces daily
- Sneakers for games
- Sun Protection
 - Sunscreen. Please arrive with sunscreen already on your child, plus provide more for reapplication.
 - Sunhat
- Bug spray
- Bathing suit and towel (should arrive to camp in swimwear unless otherwise noted)
- Extra change of clothes and undergarments
- Rain jacket and/or sweatshirt

Campers should arrive wearing their bathing as they will have swim lessons first thing. Please be sure to pack a change of clothes and undergarments they can change into after swimming.

Camp is fun and dirty! Please send children in clothes they can play in and make sure your camper's **name is clearly written** on all personal items. In years past, our lost and found container would quickly grow. Anything not taken home and without a name will be quickly disposed of.

There may be opportunities for special activities as the summer progresses. Parents will be notified of these changes in advance, and any additional clothes that may be required.

The weather changes quickly in Vermont, so please pack your child with a **rain jacket or extra sweater**. We are outdoors all day unless the weather become a hazard (i.e. lightning, flash flooding). We believe there is no such thing as bad weather, just bad clothing.

What Not to Bring to Camp

Killington Parks and Recreation Summer Camps is an electronic free camp. Campers should leave all electronics (including cell phones) at home. If there is an urgent need to get in contact with your camper, please call the Rec Cell Phone (802-417-1625) or Rec Office Line (802-422-3241 x4) and we will connect you with your camper.

Parents and campers should use their best judgement with regards to bringing stuffed animals, dolls, or other toys to camp. Campers are permitted to bring a small personal toy or stuffie to camp; but it is the camper's responsibility to keep track of their items. In the event of outside toys, stuffies, etc. begins to

create problems at camp, Killington Parks and Recreation staff reserves the right to have these items put away for the remainder of the camp day. If issues continue to arise with regards to outside toys, the Camp Director and Recreation Director may update this policy stating all personal toys need to remain at home.

Campers are not permitted to purchase items from the pool snack bar or field trip gift shops/ concession stands while under the supervision of Rec Staff. Campers should not bring money to camp.
